

## Handmade in Blighty

### WEDDINGS

*We offer a Wedding Package for your special day. We make handmade wedding favours and gifts from locally sourced products in our workshop in Somerset.*

The favours can be personalised for your guests to treasure. Our favours include handmade keyrings, either painted or natural in finish. Personalized coasters in either wood with a message or name written by hand with a pyrography pen. We also offer travertine coasters with a hand-painted finish which can be made to order with a design that complements your wedding theme.

### GIFTS

We design and make unique gifts so we can create a beautiful item for your parents, best-man, ushers, bridesmaids that they will treasure.

We can make you a personalised wedding cake stand to remember. After your wedding it can be used as a pizza/cheese/bread board and always remind you of your special day.

Please [contact us](#) for a free no obligation quotation. For large handmade or hand-painted favour orders please allow a minimum of 3 months prior to your wedding date. For bushcraft dates please book early to avoid disappointment.

### STAG and HEN PARTIES

*Prior to your Big Day, you may wish to spend some time learning new skills and having fun in the woods on one of our tailor made Hen or Stag days/weekends.*

We can take you and a group of your friends/family on a great taster Bushcraft day in the woods, which will include foraging, fire lighting, shelter building and a lovely lunch cooked over the campfire in our local woodland or we can travel to you by prior agreement. It will definitely be a 'do' you'll all remember.

If you prefer a more hands on experience we can cater for a stag or hen party weekend starting on Friday evening and ending midday on Sunday. For more information please see our website [www.handmadeinblighty.com](http://www.handmadeinblighty.com)
